

Folding Warning Line System

- 39" Folding Stanchions with Handles
- 105 ft. of Warning Legend Pendants
- Zinc Plated for Longer Life
- Spring Activated Legs - Lock Firmly Into Place

Help protect workers from dangerous areas around jobsite or roof. Includes 3 or 4 Stanchions and 105' of bright yellow pennants. This lightweight and compact warning line system is easier to set up and requires less storage space. Spring activated legs lock firmly into place, no lost poles or locking pins. Each stanchion has a built in handle for easier transporting to and from jobsite.
